

# Thank you for your interest in **2009** Golf membership

At The Craythorne, we can offer you a friendly environment to enjoy a healthy pastime, one of the most fascinating and frustrating games ever invented.

When it comes to making that membership decision, it should depend on what you want. Value for money is an important part of any financial decision and whether or not to become a member of a golf club is just the same. We feel we do offer that value and these are just some of the many other benefits waiting for you at The Craythorne. We are actually reducing our price over last year, which shows a commitment to our existing membership and even greater value for new joiners.
